SERVING
TOP-OF-THE-LINE
QUALITY PRODUCTS
ON TIME IS OUR PECULIARITY.

Valves • Structural Steel Products • Pipe Fittings • Flanges • Branch Outlets • Pipes
Special Items • Hammer Union • GI & MI Fittings • Grooved Fittings • Custom Fabrication Items

ABOUT US

Quality pipings is a leading supplier of high quality piping materials & products.

All kind of piping materials are available at reasonable prices. Our products consists of high quality pipes, structural steel products, pipe fittings, flanges, branch outlets, valves and other Items required in various industries and other users.

OUR VISION & VALUES

Our business has a stable growth since we began our journey towards becoming the one-stop shop for all piping materials & products. Quality and client satisfaction are what we value the most-creating a strong bond with the customers and clients.

OUR MISSION

We aim to become the largest and most preferred supplier of quality pipes and fittings. Only supreme quality products are delivered making us the most trusted source for suppliers and users.

OUR ADVANTAGE

Serving our clients with top-of-the-line quality products ensuring client satisfaction and delivering the products on time is our peculiarity.

Brands we offer

HAMMER UNION

We offer a full line of high quality Hammer Unions. We provide Unions ranging from 1" to 12" and can handle pressures up to 15000 psi CWP (cold working pressure). Available with line pipe, butt-weld or socket weld connections, our unions are interchangeable with other name brand manufacturers that adhere to industry standards.

To ensure customer satisfaction, our Unions come with full trace-ability and are manufactured from the highest quality raw materials. In addition, they meet API 6A and API 16C requirements, as well as NACE-MR-01-75 (sour gas service).

Size	Nut Radius	Length Total	Pressure Rating (PSI)				Weight(LBS)
Inches	Inches	Inches	Standard Service		Sour Gas Service		(Approx.)
			Cold Working	Test	Cold Working	Test	
2	3.54	5.13	4,000	6,000	4,000	6,000	12.46
3	4.17	6.14	4,000	6,000	4,000	6,000	20.13
4	5.04	8.18	4,000	6,000	4,000	6,000	31.24
5	6.70	11.10	2,500	4,000	2,500	4,000	49.60
6	7.70	11.40	2,500	4,000	2,500	4,000	63.47
